# 2.0 TRIO 330

Cleanroom cleaning trolley | wringer | 2-bucket-system | plastic

PurMop® 2.0 ERGO 330

## Description

2.0 TRIO 330 is an ergonomic cleanroom cleaning trolley with wringer. The robust trolley has four 18 liters plastic buckets (two for fluid and two for storage of mops) as well as two additional 6 liters plastic buckets. The special design allows the discarding of used mops at the rear and therefore ensures a higher safety against cross-contamination. The PurMop® wringer has been developed for use in cleanrooms and is made of polished stainless steel. The innovative function of the wringer enables improved reproducibility by means of a defined wringing pressure and reduced user effort thanks to the force transmission mechanism. The standard PurMop® accessories include a mop handle holder on the side and a rear waste bag holder for PurMop® waste bags.

## 2.0 TRIO 330

Cleanroom cleaning trolley | wringer | 2-bucket-system | plastic

Item no. 2125107

### Product information

Ergonomic cleaning trolley with wringer system, touchless mop discarding and on-board mop storage

- \_ 3 plastic buckets, each 18 liters (2 x front, 1 x rear)
- \_ 2 additional plastic buckets, each 6 liters, with lid (4 colors available)
- \_ 1 stainless steel wringer
- \_ Mop discarding mechanism made of stainless steel
- \_ Handle holder (side) and waste bag holder (rear)
- \_ Plaque for individual marking
- \_ Plastic castors (electrically conductive), two with brake
- \_ Limited autoclavable (plastic buckets not autoclavable)
- \_ Polished stainless steel surfaces

### Application
